Dear Sean & James,

Angling Trust CAST Level Two / Scouts Angler Activity Award – Course 05/20

Many thanks for everything; our four students loved every second at Summerfields yesterday, putting all the 'Lockdown' theory into practice.

The absolute pinnacle was being able to qualify them for their CAST Level 2 award, which could not have been facilitated without your understanding, generosity and support.

The only way we can assure the future of angling is by investing time and ensuring those coming into the sport, display the correct ethical behaviour and respect for the outside environment.

We all know, 'there is so much more to fishing than catching fish!', sometimes you just need the 'means' to demonstrate that.

Coupled with the potential psychological concerns and isolation that the Corona Virus predicament may have caused to our younger generation, I am confident our visit yesterday has left a profoundly positive lasting memory on everyone.

Summerfields is an ideal tuition water and certainly one we would hope to use again in the future.

We look forward to seeing you in September.

Best Wishes.

Richard & Phillipa Winser
